Comments:	I have reviewed this case. I made sure to update all the admin and attach copies to the hard case file. The Facilities Excel Spreadsheet has been updated and the updated folder (including footage) can be found in the below hyperlinks: Melkbossie Farm Animal Sanctuary https://spcact.sharepoint.com/:f/g/Inspectorate/Ek8F-UyhAc5Mple3SqxtNIQBfoVsS0J_-lw1zda9ltPJNw?e=5l8bJg A notice was issued for the facility to improve their shelter , and the Daryl from the facility complied with our recommendations and even asked for advice. This case can now be closed and a routine inspection conducted when the Facilities Inspector is next in the area. Case closed with NFA.
