| Inspector:   | NICOLE VENTER   |

---

|                 |                                                                                                                                                                                                                           |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Type:           | CASE DISCUSSION NOTE                                                                                                                                                                                                      |
| Follow-Up Date: | 2025-06-02                                                                                                                                                                                                                |
| Comments:       | Can this please be scheduled for after Qurbani? Alternatively, can someone in Office (Docket Inspector, Supervisors, Control, etc.) make the necessary calls as per Werner's previous notes? Supervisor to please review. |
