---

|                 |                                                                                                                                                                                                                       |
|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Type:           | CASE DISCUSSION NOTE                                                                                                                                                                                                  |
| Follow-Up Date: |                                                                                                                                                                                                                       |
| Comments:       | <p>After requesting the pound department for weeks to try and find the form, they are unble to locate the admission form</p> <p>We no longer have grounds to open a case as no vet report was done for the case .</p> |
