Good day Insp. Philander,

I trust you are well.

I would just like to follow up on the animal abuse case, INSP216217.

The case was logged a month ago and we have not received any feedback since.

The last communication we had was with another inspector who phoned and asked us for the affidavits to which we confirmed it was already sent. We have not heard anything since.

Wishing you a lovely day!

Good day Danelle,

We have tried calling you to no avail.

The inspector has been out to the property for the complaint you have logged on the 8/05/2025, however he was not successful with gaining entry into complex.

After he has called you regarding the affidavits in which he confirmed with the supervisor who has received the affidavits. The inspector was then due to unforeseen circumstances booked off sick and only returned this week.

The follow up is set for Thursday 12/06/2025 in which the inspector will proceed with the case and take matters from there.

Kind regards

Teah
