Subject: Re: CoGH SPCA: feedback for insp216217

Good day Teah,

Thank you for your feedback.

Unfortunately, it's difficult for me to answer my personal cell during work hours and email works best.

As I informed Insp. Philander, I will be able to send a code to provide access to the complex, if the inspector can just inform me the day of his visit, I can send him a code that will last 24 hours.

I can also provide the exact coordinates, or pin for the location.

They are welcome to send me a whatsapp or email me just beforehand.
