13. Do holding pens overlook slaughter areas No
14. Is shade provided Yes
Was slaughter of small stock observed? Slaughtering was not taking place at the time of the inspection
Was slaughter of large stock observed? They do not slaughter large stock
Comments Redewaan took us through the facility which is actually corners of Shelduck Road & Shoveller Way. They currently had 120 sheep there but they anticipate having 300 total for tomorrow. They will only be slaughtering tomorrow from around 9 probably.
The sheep all look in good condition, no issues observed. They are housed correctly and with shelter and potable water and food. The facilities are all in order as well.
Signed
