Yes  
24. The sides of bleeding pit where cut takes place - is it cleaned, hosed or blood covered with sand (no pools of blood) between cuts Yes  
Was slaughter of large stock observed? They do not slaughter large stock  
Comments Fatima was in charge. The set up was done very well. They allowed me to speak to all the slaughterers and carriers in their meeting and give them a run down on how to carry, to wait six minutes before dressing etc. They immediately slaughtered one sheep I found limping. Very compliant. They said they will only slaughter in one day.  
Signed
