EQUINE 9
PIGS 0
POULTRY 0
OTHER

Photos taken Yes
Action taken No action required
Comments by Inspector Upon arrival I observed two trucks offloading 200 sheep each.

No contraventions were observed during this time. An adjustable ramp was used to suit the different decks. No injured or compromised sheep observed.

No buyers were observed at the yard.

All the animals had adequate water and a clean living environment.

They yard is expecting large buyers and some sheep to be slaughtered at the facilities.
