Comments, if any No partitioning between slaughter areas
Was slaughter of small stock observed? Slaughtering was not taking place at the time of the inspection
Was slaughter of large stock observed? Slaughtering was not taking place at the time of the inspection
Comments Cadet Inspector Alexander and I carried out the inspection. We met the organizer at the property who granted us access.

He advised that the truck that was supposed to bring the sheep broke down. That truck is only going to arrive tomorrow.

There was no partitioning between the slaughter areas. A notice (Notice 14255) was issued addressing this concern.

To follow up on the slaughtering tomorrow.

Signed
