Comments: Dear Jaco,

Perfect, can do, just most important facts should be fine:

Date of warnings, date of the undertaking, and proof that the undertaking has been withdrawn or not performed on.

Yours sincerely,

SHIVEN BODASING

Hi Shiven

We attended to this property for the very first time on 1 December 2020 - Owner received Warning 13352 - to provide the ostriches with adequate shelter within 120 days

Follow up on 3 March 2021 - Owner did not comply with previous Warning - Notice to Comply 1203 issued to provide adequate shelter within 30 days.

Follow up on 7 June 2021 - Owner did not comply with previous Warning - Final Warning 12816 issued to provide adequate shelter within 30 days.

The ostriches were eventually moved to Kruisvallei Farm, where they had adequate natural shelter.

I have attached images of the latest complaint that shows the owner did not erect shelter for the ostriches

Let me know if there is more information you need or more detailed information that you need.
