Comments:	The owner came to the office again this morning in connection with his dog . He wanted to know about the amount that he needed to pay and felt that it was too much. Myself, Werner and Jaco had a discussion and came to the conclusion that the owner can be billed for 4 days due to circumstances. We informed the owner of this and he agreed . He then paid the money, see receipt attached and left with his dog. He also signed the release agreement, also attached to the case. We can go back to the property in 2 weeks to check that compliance is still met.
