Type:	CALL RECORD - MADE
Follow-Up Date:	2025-07-02
Comments:	I called Zodwa to arrage a meeting time where he will be available as per previous case notes. He did not answer my call but then called my straight back. He said that he does not underatand why we have to do so many follow ups and he is not sure he has to let us in always. I told him i will discuss the matter with the previous area insp and my supervisor and call him back tomorrow. The follow up for tomorrow is to call him back and make an appointment for a final inspection.
