Comments:	This morning, the owner arrived at the SPCA just befoe 12pm and demanded to know what happened to her dogs. Myself, the inspector and the Chief then went into a meeting with her. The Chief tried explaining the process to the owner and to give her options for the way forward but she kept on shouting and speaking over the Chief. The meeting was cut short becuase the owner alleged the dogs were removed unlawfully. The owner left - we will then continue with a cruelty case.
