Comments:	Control did try to connect me to Karin but she did not answer her phone. They then connected me to Johan who was at work. He told me that Karin is working as well and that he only get home around 5pm. He told me that he will speak to his wife and children tonight and ask saidbthat I can go to the property tomorrow as he will tell his daughter bring the dogs to the front gate for me to see them and that I must just phone him when I'm on my way
