Comments:	I got hold of the owner, Lucrecia and gave her the options in connection with this case. She said that she will pay the fine in terms of the APA and surrender the bird to the SPCA. I am not sure if she understood what I meant by surrender but I explained it at least 5 times and she said she understood. She said she will come to the SPCA tomorrow morning at 10 am with her husband to the resolve the matter.
