Inspector:	JULIAN VAN DER ZANDT

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-07-22
Comments:	The owner is hardly home during the day and her phone does not work properly. I have sent her a voice message to confirm a time when she is home next week so I can do the inspection. Before I tried calling her, she had send me a voice note stating the dog had been stolen as someone had broken into the property and the dog is no longer there.
