Inspector:	RUDOLPH PHILANDER

Follow-Up Date:	2025-07-09
Comments:	The qualified inspector issued a Warning on 13 June for the owner to erect a running chain for the dogs which means the ropes / tetheres they are on is not adequate length. When the cadet returns tomorrow, he will have a to issue a second NTC to ensure that the dogs are placed on running chains and he must also remember to take photos of the inspection when he is on the property.
