Inspector:	TREVOR RODNEY

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-07-07
Comments:	As per discussion with Nicole, our animal behaviorist and Supervisor Inspector Philander, the area inspector and LEO need to go to Wonga Lucas and inspect the property/concerns about possible imhumane slaughter of animals and possible permit issues. Refer facebook posts attached. Someone made contact with him and asked how he slaughters the rabbits and he told them that he breaks/twists their necks
