Inspector:	NAKITA SUTTER

Type:	CALL RECORD - MADE
Follow-Up Date:	2025-07-04
Comments:	I spoke to Andre again today . He confirmed he lives within the army base. Le has been here before and were told its private property. The informal settlement has been allowed by according to Andre there was a meeting 2 weeks ago with the councillor to have the informal settlement dealt with. Andre is not at home correctly but will do a follow up to get pics to support report that the sheep is no longer on the property and of the informal settlement.
