Subject: Proof of Vet Visit

Good Day

Further to the unfortunate incident of Saturday where our dog Max ran out of our gate and someone through him with a brick and even after we sent out a search party to look for Max and found him we are now being victimised by your inspectors as if we are mistreating our animals.

Please find attached proof of vet visit further to your inspector Jeffrey Mfini visiting our home yesterday and speaking to my daughter, threatening her with removing her cat and causing her emotional distress.

In future, kindly ask your inspectors to speak to the parent / guardian of the house and not my children.

Please acknowledge receipt of this email and confirm that the necessary inspector has been informed.

Thank you.

Regards
Shamiela
