| Follow-Up Date: | 2025-07-02                                                                                                                                                                            |
| Comments:       | I rather will attend to this case tomorrow as I have 3 pitbulls in my bakkie and the canopy does not lock and I dont want to do an inspection and risk leaving these dogs unattended. |
