Please describe the concern you have

I would like to remain anonymous, I've been sneaking food to the dog in the road, his just getting thinner and thinner, someone told me the dog was driven over by someone and is in really bad condition...she doesn't wanna give the dog to anyone...the dog literally gets scared and pees when he sees her so please I hope you can do something, The lady's name is Salla, I've added an image from when I first saw the dog when he was healthy and another image from a week or 2 ago...I don't think she feeds him, I think she wants him to die...she doesn't give him fresh water either...his very dehydrated....can you email me for the images? Cause it's not uploading here
