Are there spiders, scorpions &/or insects? Not sold

General comments

All appears to be in order at the petshop, fish tanks are in fair condition, the birds are in fair condition, food water and shelter is available and the living environment is clean aswell. The parrot cage is in good condition and of adequate size, the bird also shows no signs of stress or feather plucking. I see no concerns.

Was a warning issued? No

Is a follow up necessary No
