Comments, if any:

Upon arrival, Inspector Davids and I informed the owner of the dog that we are conducting door-to-door inspections in the area and we would like to conduct one at her residence. The owner Mr. Ridge Geneke granted us access to conduct the inspection.

We observed a Boerboel x Bull dog (black/cream) on the property that appeared to be in good condition, there was adequate shelter available to the dog, there was adequate space and water available. There was a lot of unnecessary objects and hazardous material in the living environment that needed to be removed.

Inspector Davids issued a warning to:

- 1. Clean up the hazardous material and unnecessary objects in the dogs living area within 5 days.
