Please describe the concern you have

I am writing you at 23:35. I woke to beatings and cries of a dog at a car wash opp our building. Everyday he it during the day or night. The best this dog caged. Cries are too much. I contemplated to write you many times but it's hightime someone does something. I don't have pictures but it's a car wash in station road . Just behind the first block of shops into station road on your left coming from town.
