| Comments:       | I called the respondant at 16:28 to confirm our meeting him after 4 and he did not answer. Officer Adams, Ndzondzo and myself proceeded to the property regardless. Upon our arrival we met with Mr Junaid Peterson. Mr Peterson explained that at an initial visit from Mr Albertyn he was told he has 3 options, register as a breeder with an organization, apply for a permit with the city or have his dog sterilized. He registered with a Boerboel organization but was unable to show us the paperwork. We explained to him that he has 3 unsterlized dogs on the property and in order for him to keep them unsterilized he would need to apply for a permit from the City. He asked for this paperwork to be sent to him. Mr Peterson has 3 female boerboels over the age of 6 months. He was issued a compliance notice for 14 days to make progress on this situatuon. Officer Alexander to follow up and send the necassary. |
