Building:	
Street:	50 DORP STREET
Suburb:	CAPE TOWN CITY CENTRE

Inspector:	NAKITA SUTTER

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	This case was closed less than a month ago. The chain was addressed to allow for adequate movement and the dog has access to food , water and shelter daily. The unfortunate circumstance of this being someone who lives on the street can mean it will have to be a law enforcement case going forward.
