Comments:	Good day, Gennie We would like to confirm if you are able to provide us with some footage of the German Shepherd that is being kept in a cage. I also checked on Google Maps, and the house number appears to be 38 and not 40. If possible, please send us a picture of the house as well. You are welcome to send the information via our control WhatsApp line (0628004001) and use your case reference number when sharing the pictures. Thank you kindly for your assistance.
