Comments:	Upon my arrival at the property i met with the owner named shiela who allowed me access. As i was about to do the inspection i received a call to attend to a sheep that jumped through a windscreen, i couldnt do a full inspection but i observed the dogs free roaming, i could slightly see shelter from the gate, the owner informed me she would like treatment for the 2 dogs that has a growth and a ear issue. I informed them there is finances involved and they informed me yes its fine, i spoke to supervisor Rudi and he said its fine i can assist the owner with transportation, will follow-up monday
