Suburb:	GORDONS BAY
Postal Code:	
Date:	2025-08-04
Time:	11:40
Inspector:	YAASEEN ABRAHAMS

Type:	CALL RECORD - MADE
Follow-Up Date:	2025-08-11
Comments:	Called AWS Helderberg, they confirmed the dog Lucy was there on Saturday. Dog was given injections and dewormed and told to feed puppy food 3 times a day. I'll therefore do the follow up for chaining and living conditions and check the weight as well.
