I would like to report my neighbours for neglecting their kitten. The poor animal is kept outside in the cold. The kitten is moaning from around 8pm till early mornings due to the cold. Keeping me from sleeping as I am so worried about him/her. If I could, I would have walked over to my neighbour and demanded he give me the cat to look after. My neighbour and I are not on good footing and he has threatened to kill my family in the past, so I cannot walk over and go save the kitten. This is not the 1st animal he has neglected. Their address is 77 Drostdy Street, Peerless Park North, Kraaifontein. You can come listen to the poor kittens cry for help, every single night. This is breaking my heart.
