Comments:	Please refer to the attached emails. The animals were brought in as strays after being found by the security of the Liberty Grande complex and were admitted under numbers A 70031 and A70030. The owners later made contact to reclaim the animals, but refused sterilisation after being informed of the policies in place. RI Grove was contacted by the pound and advised that the animals be released, with a compliance notice to be issued by the Auxiliary Law Enforcement Officers .
