Good day, Lindie

We would like to thank you for bringing this matter to our attention .

We have dispatched an Inspector to investigate your complaint . Upon the Inspector's arrival at the specified location provided by you, the property owner stated that there are no dogs residing on their premises. In order to advance our investigation, the Inspector has recommended that you provide us with the following information, as it is challenging to proceed without it:

1. The accurate pin location.
2. A photograph of the residence(house in question).

We have therefore closed the case for the time being pending your requirement of the previous details.However, you are more than welcome to call us at 021 700 4158/59 if you would like feedback sooner.

Thank you for caring.

Kind regards

Peace
