Subject: 109 Kruppelhout, Fisantekraal

Good day

Can you please assist with a case of 2 very thin and emaciated Boerboel dogs at 109 Kruppelhout, Fisantekraal. We could not gain entry to the property because the owners were not home .

We received a complaint and photos from one of the residents .

Attached are photos of the digs and the front of the house.

I am a volunteer fieldworker with Fisantekraal Animal Welfare .
