Date:	2025-08-06
Time:	15:54
Inspector:	TARIQ ALBERTYN

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-08-06
Comments:	Owner contact control , I then phoned owner and spoke to owner Charlene I told her that we need to see her urgently about the dogs She said that the are not available during the week only on Saturday, she said that her and her husband was struggling with work and at that time they could not afford dog food FAW then contacted me to say that they received information that the one dog had passed on Once I got my buky to start myself and inspector prins went to the address managed to look over the gate and saw the one dog dead FAW again contacted me to say that the owners Made contact in there emergency group asking if they can burry the dog in there yard
Captured By:	The yard was extremely dirty with a build up of fieces Tariq Albertyn 2025-08-06 15:54
