Subject: RE: CoGH SPCA: INSP219435 - CONCERN

Good day Kylee,

You contacted the Inspectorate Department regarding a property in Salt River where suspected breeding is taking place. Our inspector has visited the property in question and confirmed that the animal there cannot have pups, as it has been sterilised.

There is a possibility that the incorrect address was provided. To resolve this situation of cruelty, we need to have accurate details of the location. We kindly request that you send us:

- A pin location of the property
- A picture of the house
- If possible, a picture of the dog, or a brief description of the dog's colour and breed

Thank you for your assistance.

Kind regards,
