Subject: Re: COGH SPCA: Dogs being left outside in rain and cold weather (Animal Neglect)

Good day Tamryn

Thanks for your reply and my case reference number. Could you please inform the inspector who is doing the investigation to give me feedback via email. I cannot hear properly over the phone, so the best way to give me feedback is to send the report to my email address.

Yesterday a person called me regarding my complaint on facebook and when I tried to explain to him I already send a full report to your email address, he said to me " you don't have to shout at me". I did talk very loud, like I said I have difficulty hearing properly over the cell phone . I apologize for that. So to avoid this again, please send the feedback via email.

Thanks again. Have a nice day
Kind regards
Heloïse
