Comments:	The owner came to the SPCA to ask for help with a Kusa registration form . I inquired about this and he said he has 2 male dogs that he does not want to sterilize. I then advised him that he needs to apply for a permit from the City of Cape Town instead. I then got a application form from the Chief and gave it to the owner. He said he will bring his female dog for steri. I later consulted Officer Alexander about this and he confirmed that this is a case they are busy with and said they will go back in 2 weeks time.
