Good day

My sincerest apologies for the delayed response .

My uncle who has seen these occurrences before has requested me to report them , however although I haven't witnessed it myself , I have heard these dogs cry for hours on end late at night . It really is disturbing and disappointing to see that or hear that animals are getting treated this way

Kind regards

Good day Naeesha

Thank you for your email.

We have tried calling you to discuss the matter , to no avail.

Please advise if you have any physical evidence or if you have witnessed the owner hitting the dog. Please also confirm if the dog is still on the street or inside his property currently. If you could please provide us with a picture of the dog and/or a description of the animals in question.

Please also confirm which area this is in.

Kind regards

Tamryn
