Subject: My dogs

Good day

I hope all is well, I'm writing this message with saddest, but I need to find my dogs a better home and care. I know my mom does sometimes neglect my dogs for days and not feed them or let them play, because I'm in university now and no longer live at home and so does my sister and my mom is a very busy woman. Sometimes I forget that I have dogs which is wrong of me and I have four grown dogs that mated with each other and I need SPCA to help me find homes for them, cause I know what we doing to them is cruel keeping them caged up and I just need someone to take them, cause my mom wants to give my dogs away to kids that make dogs street fight and sometimes if they don't eat they tend to bite each other and I don't want that type of life for my babies and rather I give them up, cause I can see that they deserve better treatment.

Here are the pictures of my dogs

1st picture is Rex
2nd is Lucky
3rd is fofie
4th is girly

I really need help with them please, cause I'm scared of my mom giving them away or they die from hunger and thirst.

Here's my mom contact +27 72 032 8628 (Regina Wright)

Address is 1293 Nqanqarhu street, Witsand , Cape Town , 7349

Thank you so much
