Please describe the concern you have

My neighbor had tenants that lived opposite but had to move for some reason and left the poor dog behind, this dog barks every single day, in the morning, afternoon and during the night, I'm not even sure if he gets any food because even the owner doesn't care about him, I feel that this needs to be taken to a family that can provide for him and give him some attention because the poor thing is suffering and he's keeping us neighbors out of sleep
