Subject: Dogs in lotus river

Hello. I have a concern for a house where the dogs are being poorly looked after. It looks like the owners don't care and are very negligence. The directions is as follows: Drive to Eland Avenue Lotus river then you take a turn left and the house that's opposite a shop is the house. So it's the second house on your left side and there is a shop opposite. Please send a inspector out to these people

Good day

So far as what I have seen there are 2 dogs one is brown and I think they might have more. I saw 2 dogs last night on my way home and the owners house looks like there isn't much shelter for the dogs. The directions that I have provided is all I can give because it's very difficult to see the house number but it's located opposite a shop like I explained and there is a lot of grass growing in front.
