Subject: ASSISTANCE NEEDED

Good day Teah

We would like assistance at the following please:

D13 Red Hill  
Julian  
Contact number 084613100

We would like an inspection done at the above address. There is a lack of parasite control with the dogs on this property. One of the dogs was brought into TEARS yesterday, infested with parasites and had biliary. Nothing could be done to save the dog and a decision was made to humanely euthanize the dog. There is also a disregard for the sterilization of the dogs on the property as well.

We appreciate your willingness to always assist.

Many thanks
