Subject: CoGH SPCA: Urgent Report of Ongoing Animal Cruelty and Concern Regarding Inspectorate Conduct – Epping Branch

Dear Madelyn,

I went back after work on Tuesday, after I reported the case to The Grassy Park branch, and it seemed as though they turned the feeding pots and gave him water.

I went there last night and again this morning, the feeding pots are in the exact same position.

I took a video, but the size is too large, I will try and send it via WeTransfer. In the below pic he tried to eat his defecation due to hunger. I had to go to work, and tried to phone my dogs Dr at TAH, however, she was busy with surgery at the time.

I am contacting you because I feel completely helpless and don't know what else to do. I was told not to feed the dog by Inspector Jacques, and its taking everything in me to comply.

Kind regards

Trudy
