Please describe the concern you have

Our neighbour's pug has been staying with us as it escapes to be with us. When we first noticed the dog it had ticks and fleas all over it. We have since sorted this out ourselves. The owner also has 2 other dogs we were concerned about they will be moving away tomorrow morning and we are concerned about their welfare.

POPI Consent

- I agree to the processing of my above mentioned personal information for the purpose of electronic communication
