Hello,

Just a follow up, we handed over the elderly pug yesterday to the owner, she has moved to the address given in Hout Bay.

She was very aggressive yesterday when we tried to advise her of our concern for her 3 dogs health and welfare.

She forcefully grabbed and assaulted my 10 year old and punched my 19 year old they have scratches and bruises, despite us saying we are handing the dog to her as its hers, my child was giving the dog a hug goodbye.

We did not try keep the dog we were trying to speak to her then hand over the dog .

We decided to not put a case of assault of a minor with the police as my child was very traumatized . We choose to remain as peaceful as possible. We can provide any further evidence or statements if you need.

The Pug Rescue of South Africa have asked for a follow up if needed .

Regards,

Donna
