Inspector:	NAKITA SUTTER

Type:	CALL RECORD - MADE
Follow-Up Date:	2025-08-14
Comments:	I called the respondant and she explained that thw dogs had stayed 2 nights as they were resnovating. She said that the first night the carer did not sleep in the property with them but the second night he did and according to her there was no barking. The respondant said the dogs have since been moved and are no longer on the property due to the complaints. I will stop by the property today to confirm.
