Comments:	Dear Sanda, We trust you are well. Thank you for bringing the matter to our attention. We would like to provide you with feedback following our inspections. Our team visited the property on two occasions - on 12 and 13 August 2025. Unfortunately, we were unable to gain access during either visit. The Inspector did attempt to contact you via your mobile phone. At this stage, there are insufficient grounds or evidence for us to obtain a warrant to enter the premises . We do, however, intend to conduct a further inspection. Should you have any photo or video evidence of abuse taking place on the property, we kindly ask that you share it with us. Such evidence may assist us in obtaining a warrant. Please note that general signs such as barking or crying are unfortunately not sufficient grounds on their own for a warrant . We appreciate your cooperation and look forward to hearing from you . Kind regards Chief Inspector Jaco Pieterse Bachelor of Laws (LLB) Manager: Inspectorate, Horse Care & Farmyard and Wildlife Departments JACO PIETERSE 2025-08-19 21:26
