Subject: Sick adult dog

Good day,

This is Liquine again. We have an adult dog at 210 Wesbank Main Road in Wesbank.

We sterilized the dog a couple of months ago. However since then the dogs health has gone spiral. Doggie is very sick, lost weight extremely and something wrong with his penis.

The owner Gladwyn is aware that doggie will not come back. As he is unable to afford extensive medical care.

Would you be so kind as to assist as the dog is unable to walk and eat.

Contact detail for Gladwyn is 0635724561.

Thank you
