Subject: Neglected Dog

Good day,

I am so sorry to be a pain, but I have this situation at 25 Goodeve Crescent, Wesbank.

There is a male dog, not sterilized at this property. My concern is that this dog is extremely thin. Now I have approached the owners to offer help with feeding and sterilization about 3months ago. However they refused to accept my help, but the dogs weight has been deteriorating ever since.

I passed there last night and I am very sad to see the dog like that. He might die this week still, the way I saw his condition. He is also tied to his kennel on the lawn.

Please can you investigate this matter. I don't see that those owners deserve that poor dog.

Regards

Jackquine/Liquine
